## SPARTANBURG IS A BIKE TOWN.

---

In fact, we've been known as a Bicycle Friendly Community since 2006 and were the first in the state of SC to earn the recognition by the League of American Bicyclists. Here you'll find great road rides, challenging adventures in the woods, downtown bike rentals along with professional races hosted in our area. It's one of the things that makes us revolutionary (that's a nod to our history).

You can find more maps, more places to play and rules of the road at [visitspartanburg.com/cycling](https://visitspartanburg.com/cycling).

Produced by the Spartanburg CVB, in cooperation with Partners for Active Living, local bike shops and the Freewheelers of Spartanburg.
